

Office Memorandum • UNITED STATES GOVERNMENT

TO :

DATE: 1 August 1957

FROM :

SUBJECT: Requirements Placed by Admiral Layton

REFERENCE: Your memo dated 29 July 1957 to All Divisions, Geographic Research Area, same SUBJECT

The capabilities to fulfill the requirements of paragraph 2 d and 2 e, estimated as of this date, are as follows:

1. Para. 2 d:

a. The construction of a terrain map of Laos and its immediate surroundings could be produced by 15 October 1957; scale, approximately 1:2,500,000.

b. The construction of a terrain map similar to No. 13983.1 of Southeast Asia can probably be completed by the end of December 1957; scale approximately 1:6,000,000. This estimate is contingent upon completing NIS Summary as scheduled through the Terrain Section during the remainder of 1957.

c. The construction of a terrain map of Indonesia can be accomplished by 15 November 1957; scale approximately 1:8,000,000.

2. Para. 2 e: The preparation of an up-to-date map of Laos, Cambodia, North and South Vietnam is in progress and a special printing of this map can be made available by 15 September 1957.
